picture yourself in a boat on a river  
with tangerine trees  
and marmalade skies . . .

follow her down to a bridge  
by a fountain  
where rocking horse people  
eat marshmallow pies.  
everyone smiles as you drift  
past the flowers  
that grow so incredibly high . . .

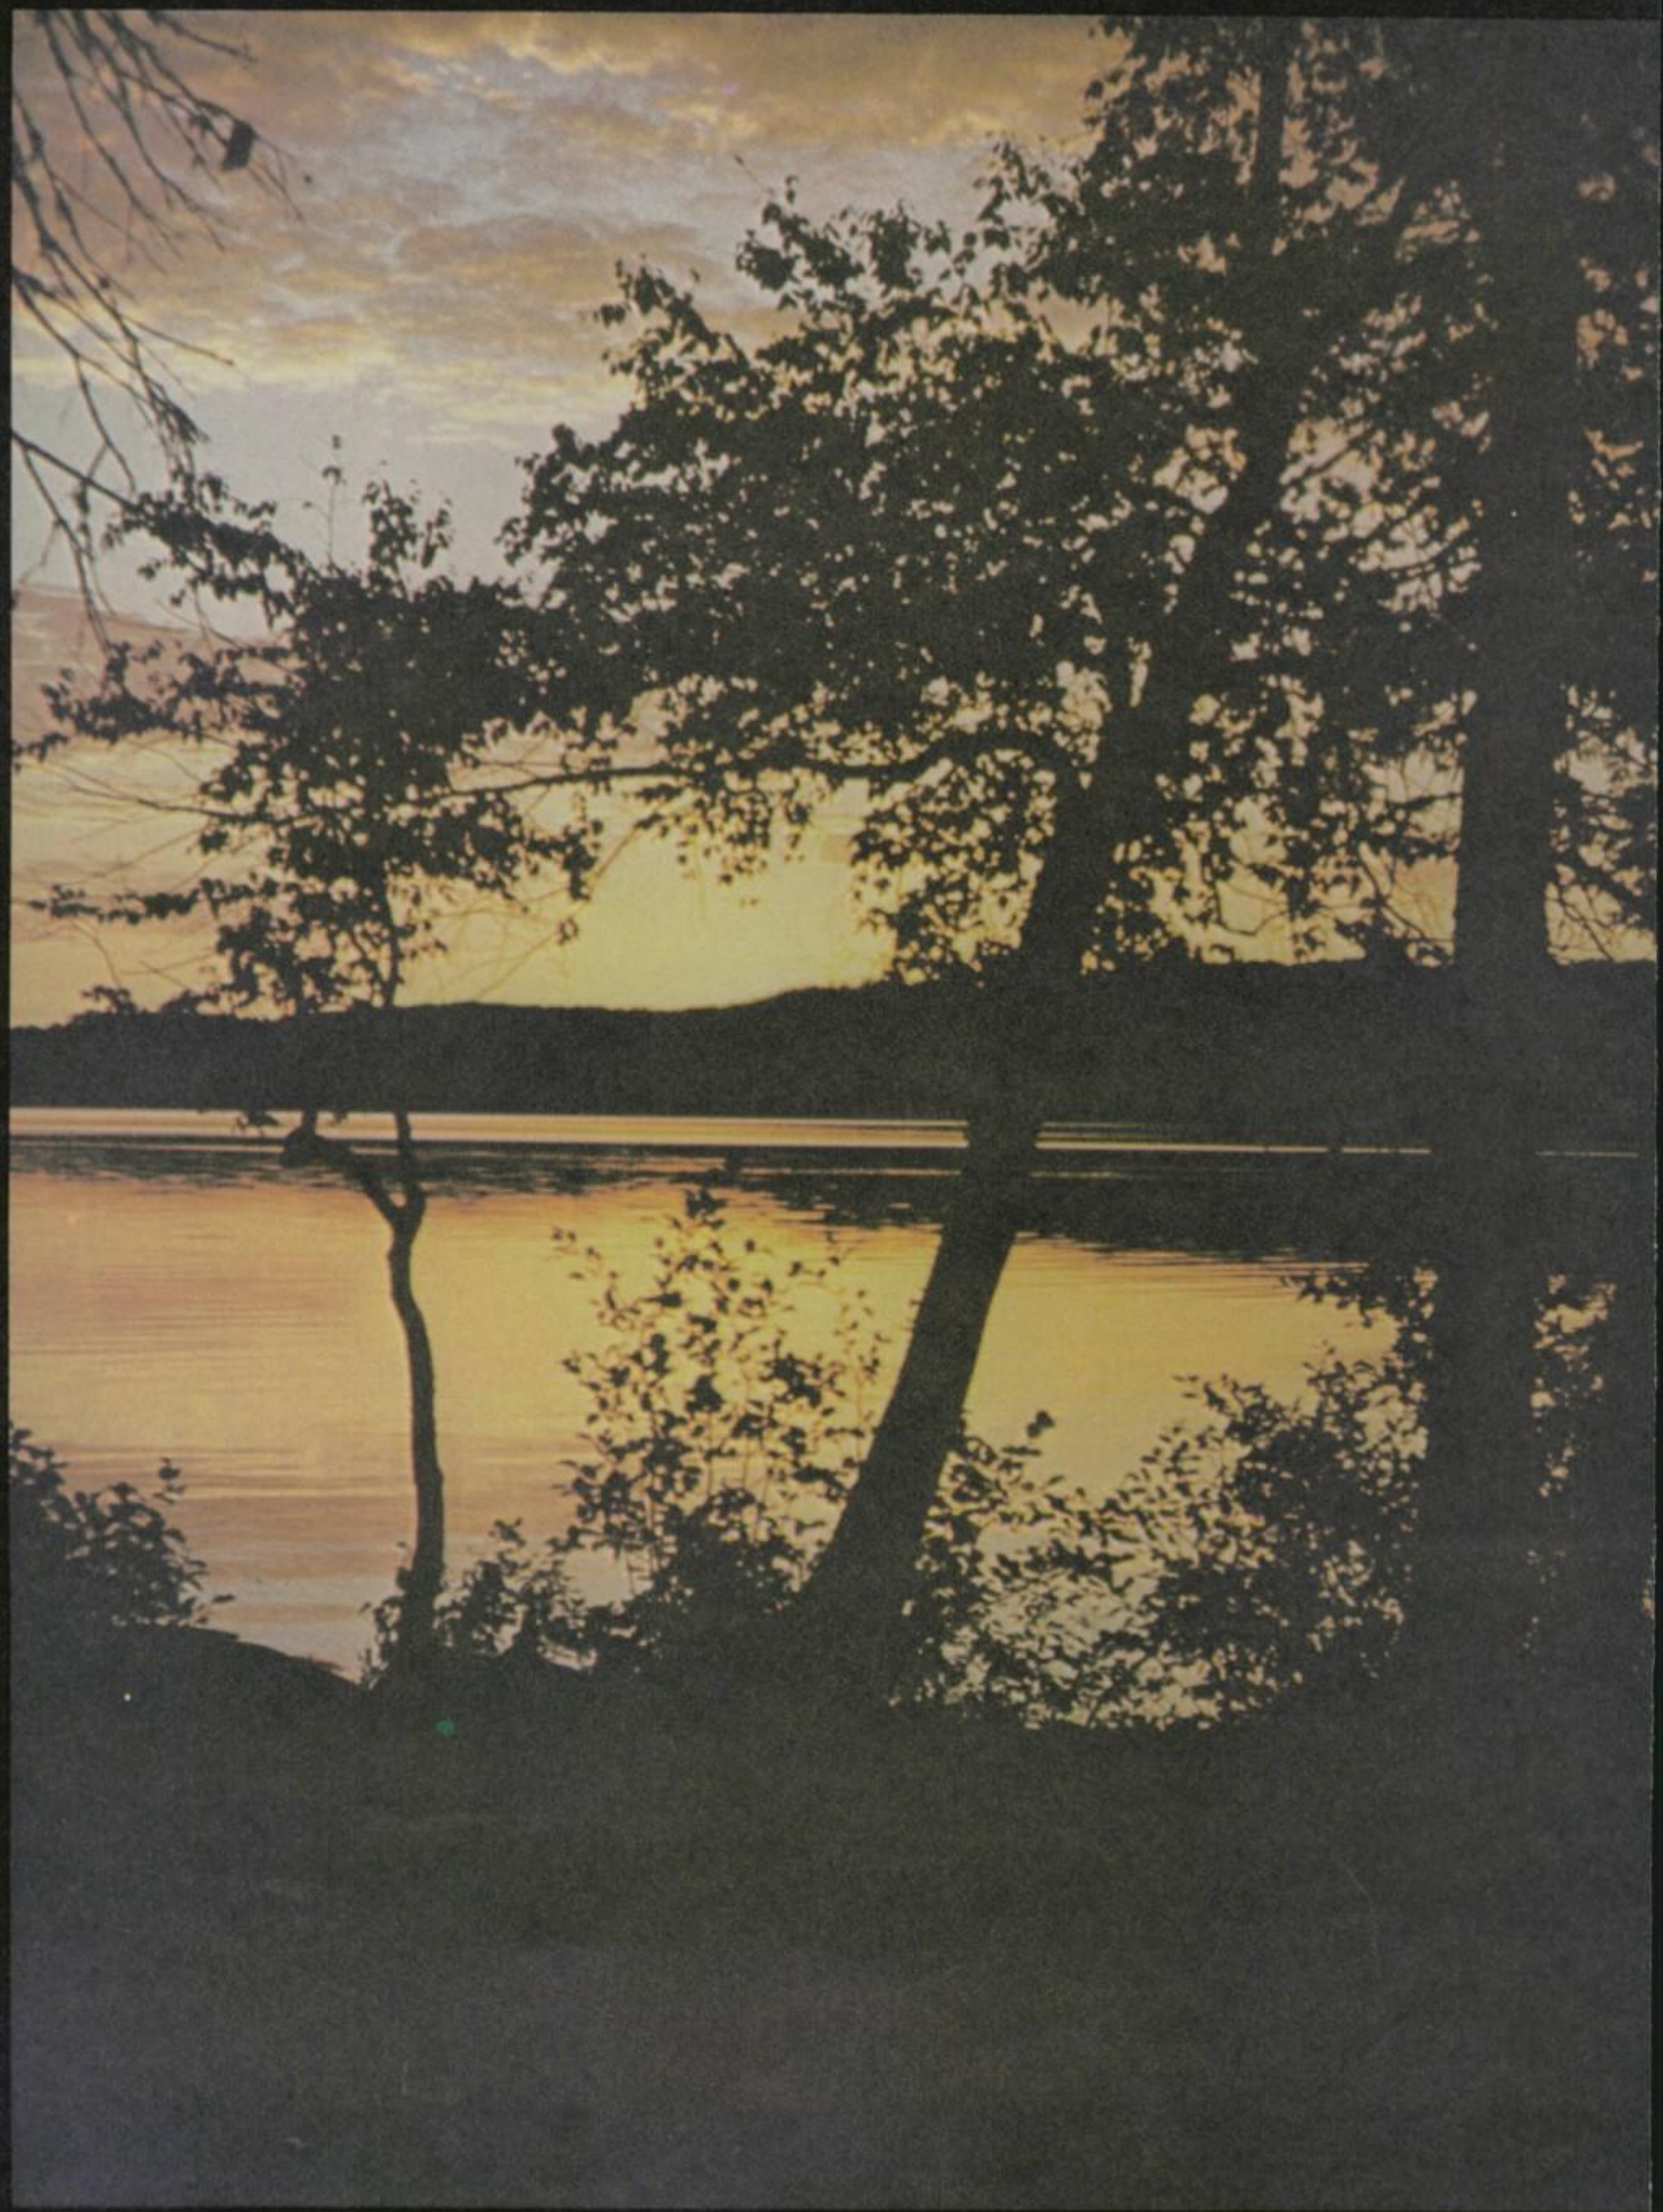

newspaper taxis appear  
 on the shore  
 waiting to take you away.  
 climb in the back  
 with your head in the  
 clouds and  
 you're  
 gone.

## THE FOOL ON THE HILL\*

Day after day alone on a hill the man with the foolish grin is  
keeping perfectly still

But nobody wants to know him, they can see that he's just a  
fool

And he never gives an answer.

But the fool on the hill sees the sun going down and the eyes  
in his head see the world spinning 'round.

Well on the way, head in the clouds the man of a thousand  
voices talking perfectly loud, but nobody ever hears him,

Or the sound he appears to make

And he never seems to notice.

But the fool on the hill sees the sun going down and the eyes  
in his head see the world going 'round.

And nobody seems to like him,

They can tell what he wants to do

And he never shows his feelings.

But the fool on the hill sees the sun going down and the eyes  
in his head see the world spinning 'round.

He never listens to them, he knows that they're the fool.

They don't like him.

The fool on the hill sees the sun going down and the eyes in  
his head see the world spinning 'round.

\*The word "fool" originally meant an intelligent person.

faithful janitor, was transferred to Birchview in November.

We just want to say thank you for all the "extras" you've given us. We'll never forget the many ways in which you've helped us.

**mr. leeman**

After nine years at I.H.S. John Leeman has retired. Those who were lucky enough to know him will always recall his stories, which made a person realize the bigger world outside of Ishpeming.

**miss rogers**

the wild and windy night that the rain washed away  
has left a pool of tears crying for the day,  
why leave me standing here,  
let me know the way.

many times i've been alone and many times i've cried,  
anyway, you'll never know the many ways i've tried  
but still they lead me back to the long winding road,  
you left me standing here, a long long time ago,  
don't leave me waiting here,  
lead me to your door.

but still they lead me back to the long winding road,  
you left me standing here, a long long time ago,  
don't keep me waiting here,  
lead me to your door.

class song: the long and winding road

good-bye to i.h.s.  
these four years were the best.  
teachers and the friends we've met,  
are those we won't forget.  
we will think of you  
in all that we do.

all the things we've done  
we will remember;  
our joys, tears, and our hopes  
during these four years.  
we often tried our best;  
no one could want more.

many times we worked so hard,  
and many times we've failed,  
yet you'll never know  
the many ways we've tried.  
but still we have great hope  
for our lives ahead.  
and we will do much,  
we are all sure of this.  
no matter how long it takes,  
we must find the way.

the long and winding road  
that leads from your doors  
will always hold the dreams  
of success in life.  
the road will lead us there;  
we will find the way.

## john adne manchester

Once upon a time - along about 1972 - there was a class in dire straits. Divided by individual interests (240 individuals to be exact) nothing seemed to be in reach of the group as a whole. Leading such a mass was an undertaking undefined and even more so-unwanted. Although the final results of our accomplishments cannot be compared with the best, through our newly installed advisor we came to realize that it is not always of the utmost importance to win. Personal gains were many and after two years of association with J.A.M., we realize that we were fortunate to have him. Thank You.

woke up, fell out of bed,  
 dragged a comb across my head  
 found my way downstairs and drank a cup,  
 and looking up I noticed I was late  
 found my coat and grabbed my hat  
 made the bus in seconds flat.

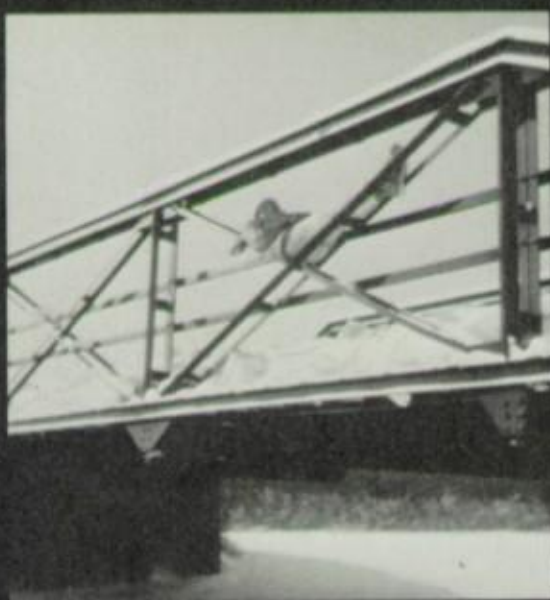

SEXY-7

i read the news today, oh boy  
about a lucky man who made the grade  
and though the news was rather sad  
well, i just had to laugh  
i saw the photograph.

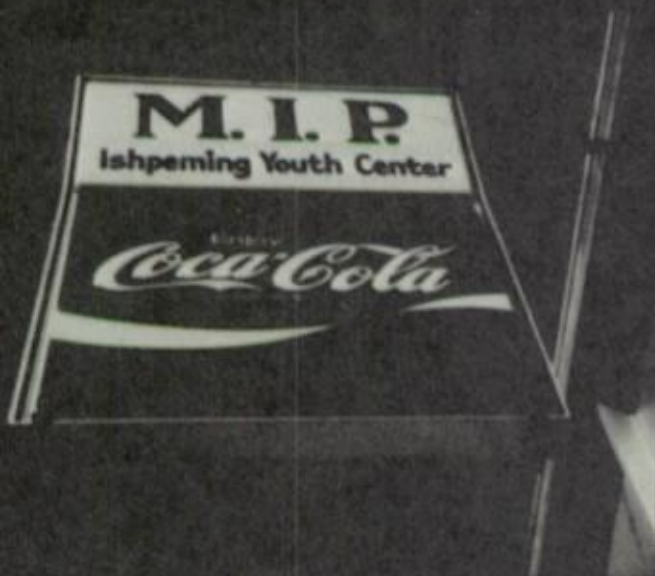

there's nothing you can do that can't be done.  
nothing you can sing that can't be sung.  
nothing you can say,  
but you can learn how to play the game,  
it's easy.

organizations

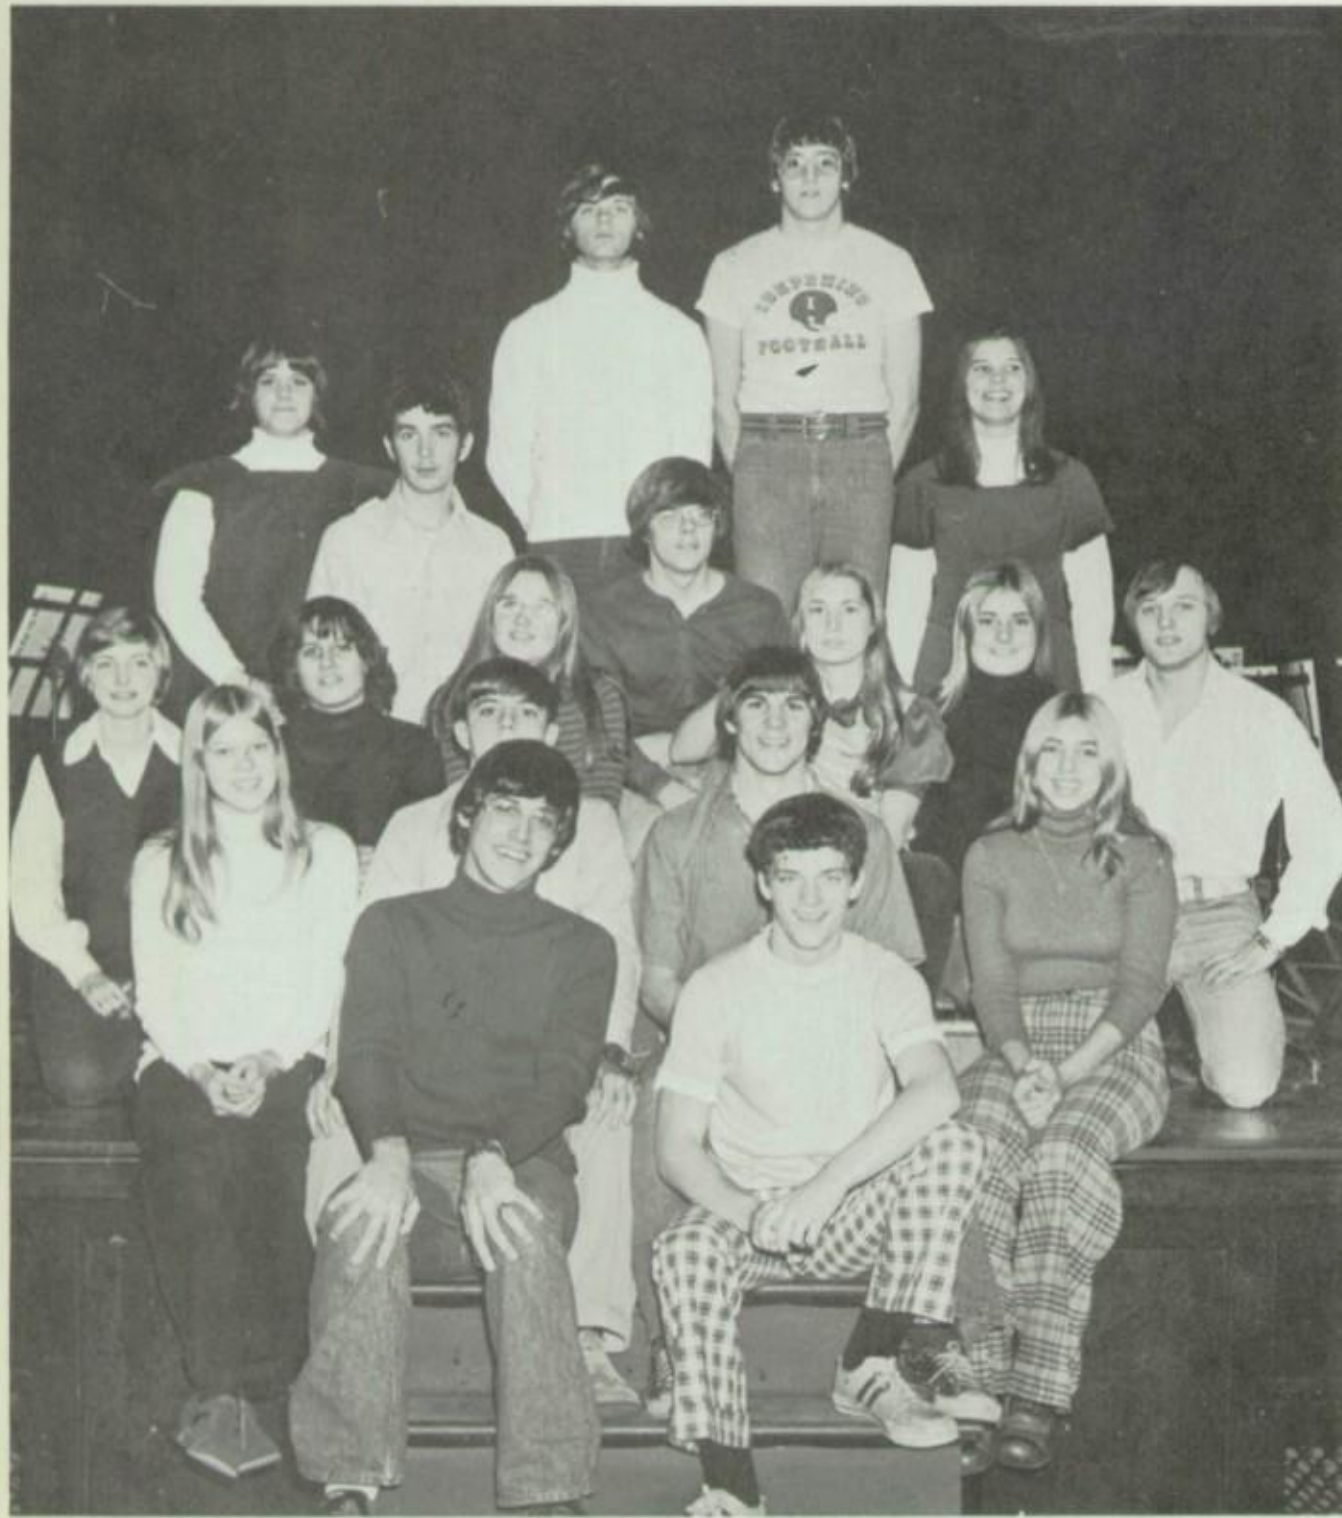

As in the past, the Student Council this year was involved in the usual job of putting on Homecoming Activities and also was involved in the Winter Games. But most importantly during the course of the year we realized the significance of the Council itself. We took a look at ourselves and realized the Council isn't as active as it could or should be. We thought the Council should really get into the happenings of the school and even create some.

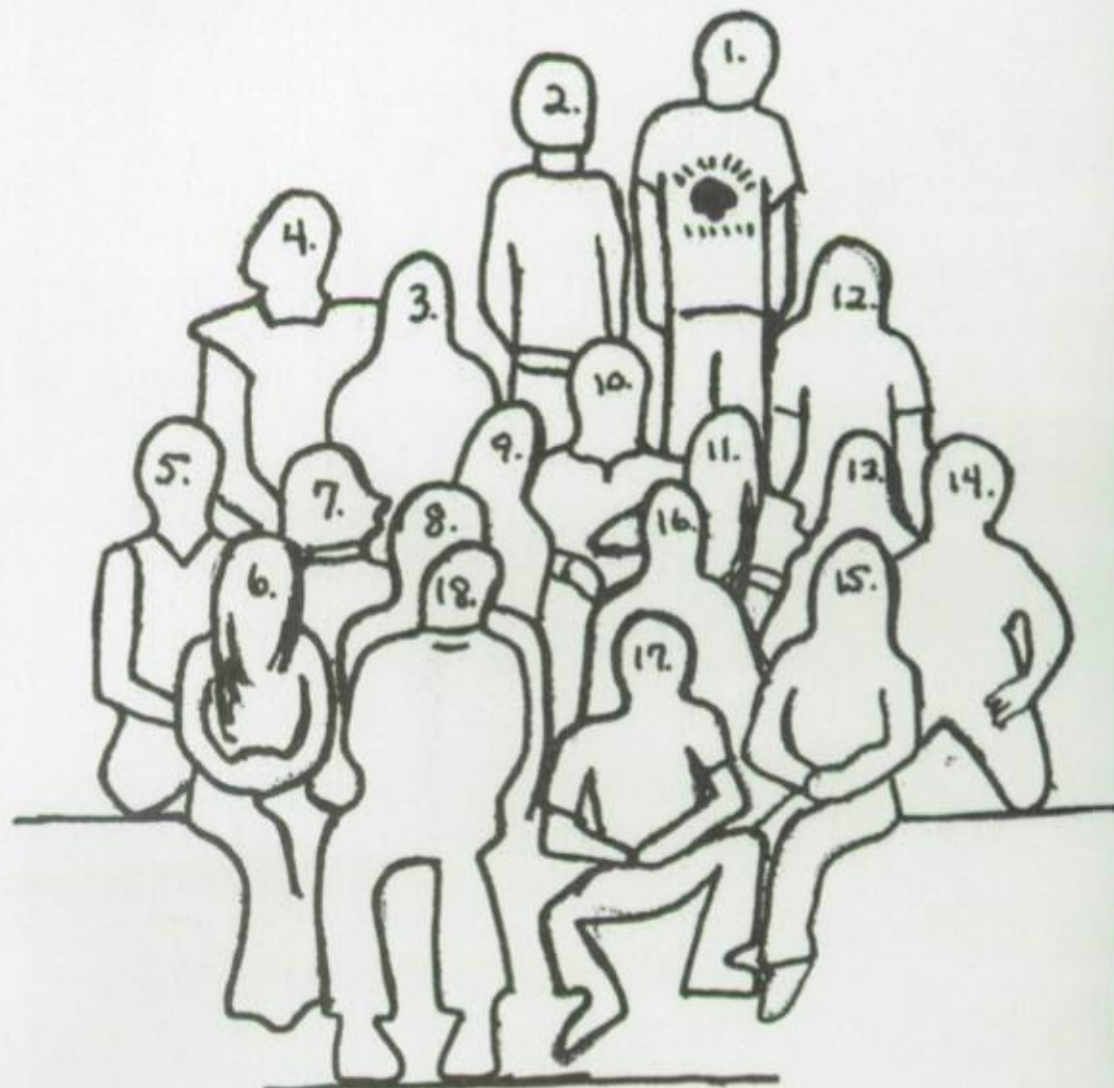

I wish I was just starting my years in the Council because of the future: a future in which things are going to happen.

If you're ever around the gym on Tuesday or Thursday, then you've probably seen several boys and two teachers playing basketball. These people are members of the Hi-Y and they're involved in their recreational meeting. Besides having these meetings we also usher at auditorium events and at basketball games. But perhaps the most "fun" of all is picking up the gym after 1,000 people have thrown their melted ice cream bars (which we sell) and their programs on the floor. This all makes a big mess. Of course if the student body would have given us more support, it might have been easier. We really don't mind though, because it's just one of the many responsibilities that go along with the fun of being in Hi-Y.

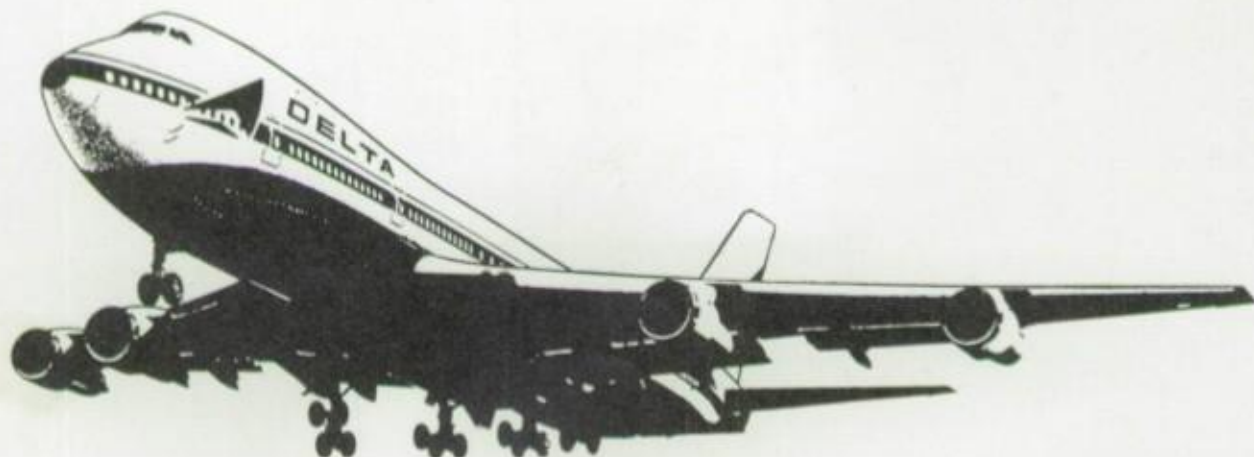

# international club

The International Club is a new organization, combining the language and traveler clubs. We meet the last Wednesday of each month and at every meeting there is a speaker and refreshments. This year, out of the club's fund, we bought the carpeting for Mrs. Broderick's room and we also earned money through candy sales. Anyone who is taking a language or thinking of traveling should think about joining.

Many club members had hoped to journey to Rome this year, but a rise in cost deflated those expectations. The profit from the concession stand at the football games fell considerably; however, the people who participated enjoyed themselves. During the spring club members went out to eat at the Villa Capri with some of the money earned. The remaining money was divided up according to how much work each individual had done.

Mrs. Lindberg has devoted many hours of her own time to her Latin students through the years. The Latin banquets, most recently held at Mrs. Lindberg's camp, have been a source of great pleasure. Thank you Mrs. Lindberg for your time, friendship, and help. We have learned!

## future teachers

This year, even with our small membership of 10, Future Teachers has been just as active as in previous years.

During Open House we registered parents and served as guides.

Our Christmas season was pretty busy. Our project of raising money and gifts for the retarded children at Newberry was a great success as we exceeded our goal of \$50 and 50 gifts. We also gave a Christmas party for the teachers and student teachers. Everyone worked hard and had fun.

Besides helping teachers in our school a few of us went to the Grammar School and helped 5th grade math students.

Our appreciation and thanks goes to Mrs. Viant for all her help and suggestions.

# art club

For being the newest recognized organization in Ishpeming High, the Art Club boasts a surprisingly large membership and several fine artists.

Under the direction of Miss Patricia Kohring, the club meets twice monthly, on Saturday afternoons. Members are urged to pursue their own interests. Projects this year have ranged from pottery to painting to environmental design.

Several goals are seen by this group, most important being a trip to Chicago in the spring to visit the art museums and shows.

Officers this year are: Steve Coron, president; Carol Anderson, Secretary; Kim Cornush, Student Council Representative.

## future nurses

The Future Nur-es Club this year had excellent cooperation from the Ishpeming Bell Memorial Hospital for the candy-striping program. Fifty girls are participants. During the year one of the projects was making valentine favors for the hospital patients. In another program Mr. James Wealton, of the Michigan United Fund Combined Health Services, presented a film and lecture on the crippling effects of multiple sclerosis and the research and aid presently available to persons having the disease.

miss drury, librarian, greg t., margo r., janine s., mary d., pat m., debbie g., cindy f.

## student librarians

The student librarians of Ishpeming High School are volunteers who are willing to give up their study hall or open period to help out in the library.

The duties of an assistant librarian are to help out with confusion that the students have in finding books, checking in and out books, and getting magazines.

We hope to see more student librarians in the future. You will find it a rewarding experience.

The roaring 20's, a little bit of Christmas, and the crucifixion of Christ. That's the IHS chorus - different and always exciting. The chorus presented a Christmas concert and an Easter cantata. A lively flashback of the 1920's to the 1940's was the central theme for the spring concert. Radio skits and commercials were presented by the chorus hams.

Several of the chorus members were selected to sing in the U.P. chorale. That's quite an honor!

Next year we hope to hear you singing a few tunes in the IHS chorus with us.

This past year the band has prepared approximately 115 compositions. These were played at four home football games, the homecoming parade, nine basketball games and the Memorial Day parade. We also gave one public concert, two high school assemblies (in March and April) and one at the Phelps Intermediate School, Birchview Elementary School, and one at the Grammar School. We also participated in UPSMA Band and Orchestra Festival on March 30th in Marquette.

Next year we hope to be able to practice at the high school once again.

# future homemakers of america

The Future Homemakers of America completed many projects in 1973-74. In November, we helped the senior citizens by serving their Thanksgiving dinner and cleaning up afterwards. It turned out to be a rewarding success. As a result of that we helped the senior citizens again at Christmas by putting up decorations. Then in December, the members celebrated the holidays by eating out at the Villa Capri. In February we worked on a Valentines project. We had a smaller group this year, but the members we had were hard working and accomplished a lot during the school year.

## cross country '73

coach norm andrew

The 1973 Cross Country team started practice on August 13th. The average practice session was about 2 1/2 hours long. Our first meet was at the Al Qual recreation area. In the preliminary race our J.V.'s were 2nd and in the varsity race we placed 4th. Next we went to M.T.U. and brought home a 2nd place trophy and six medals. At the Gladstone Invitational there were 15 teams competing and we tied for 1st with Menominee. In both the Calumet Invitational and the Great Lakes Conference we placed 3rd. Next at the Iron Mountain-Kingsford Cross Country Classic, we came within two points of Ironwood, the U.P. champions. At the U.P. meet, Ironwood, Calumet and Escanaba ran extremely well, and we finished in 4th place. We think Mr. Andrew did a fantastic job coaching the team, but what really hurt the team was lack of participation on the part of the student body.

Many people believe that because of our season's record, 5 and 1 in GLC, and 3 and 0 in non-Conference, our team was not a good one. However, we attained a first for IHS. We captured a share of the GLC Championship. This is the first time an IHS Varsity team has done this since the Conference was formed 28 years ago.

Nobody outside of football knows how much time and work goes into being a good team. Practice starts at 4:00 and lasts about 2 1/2 hours. Practice especially benefitted us in the Gladstone game where we soundly beat the Braves with the best overall team effort of the season.

Five players received post season awards this year. Lee Lindbergh was All-Conference and All-UP at defensive end. Bernie Anderson was All-Conference offensive guard, and Honorable Mention at line-backer. Rick Vickstrom received All-Conference and All-UP at offensive tackle and middle guard. Jeff Jandron and Steve Coron received Honorable Mention in the Conference at running back, and Steve received All-UP Honorable Mention at running back.

Although some people believe that we had a poor year because of our record, we still made the GLC Championship.

## j.v. football

I'm great!

The 1973 Junior Varsity played nine games, the most played by a Hematite J.V. squad. The final record of 4 wins and 5 losses fails to point out the excellent football played. Among the losses, were to Kingsford 16-6 score and to Marquette 36-28. Kingsford ended their campaign undefeated and Marquette recorded only one loss. Of the many highlights of the season, the 2 victories over rival Negaunee and playing in the first Great Lakes Conference J.V. playoff were foremost. In the playoff Newberry won in a very hard fought game by the score of 18-14.

## girls' basketball

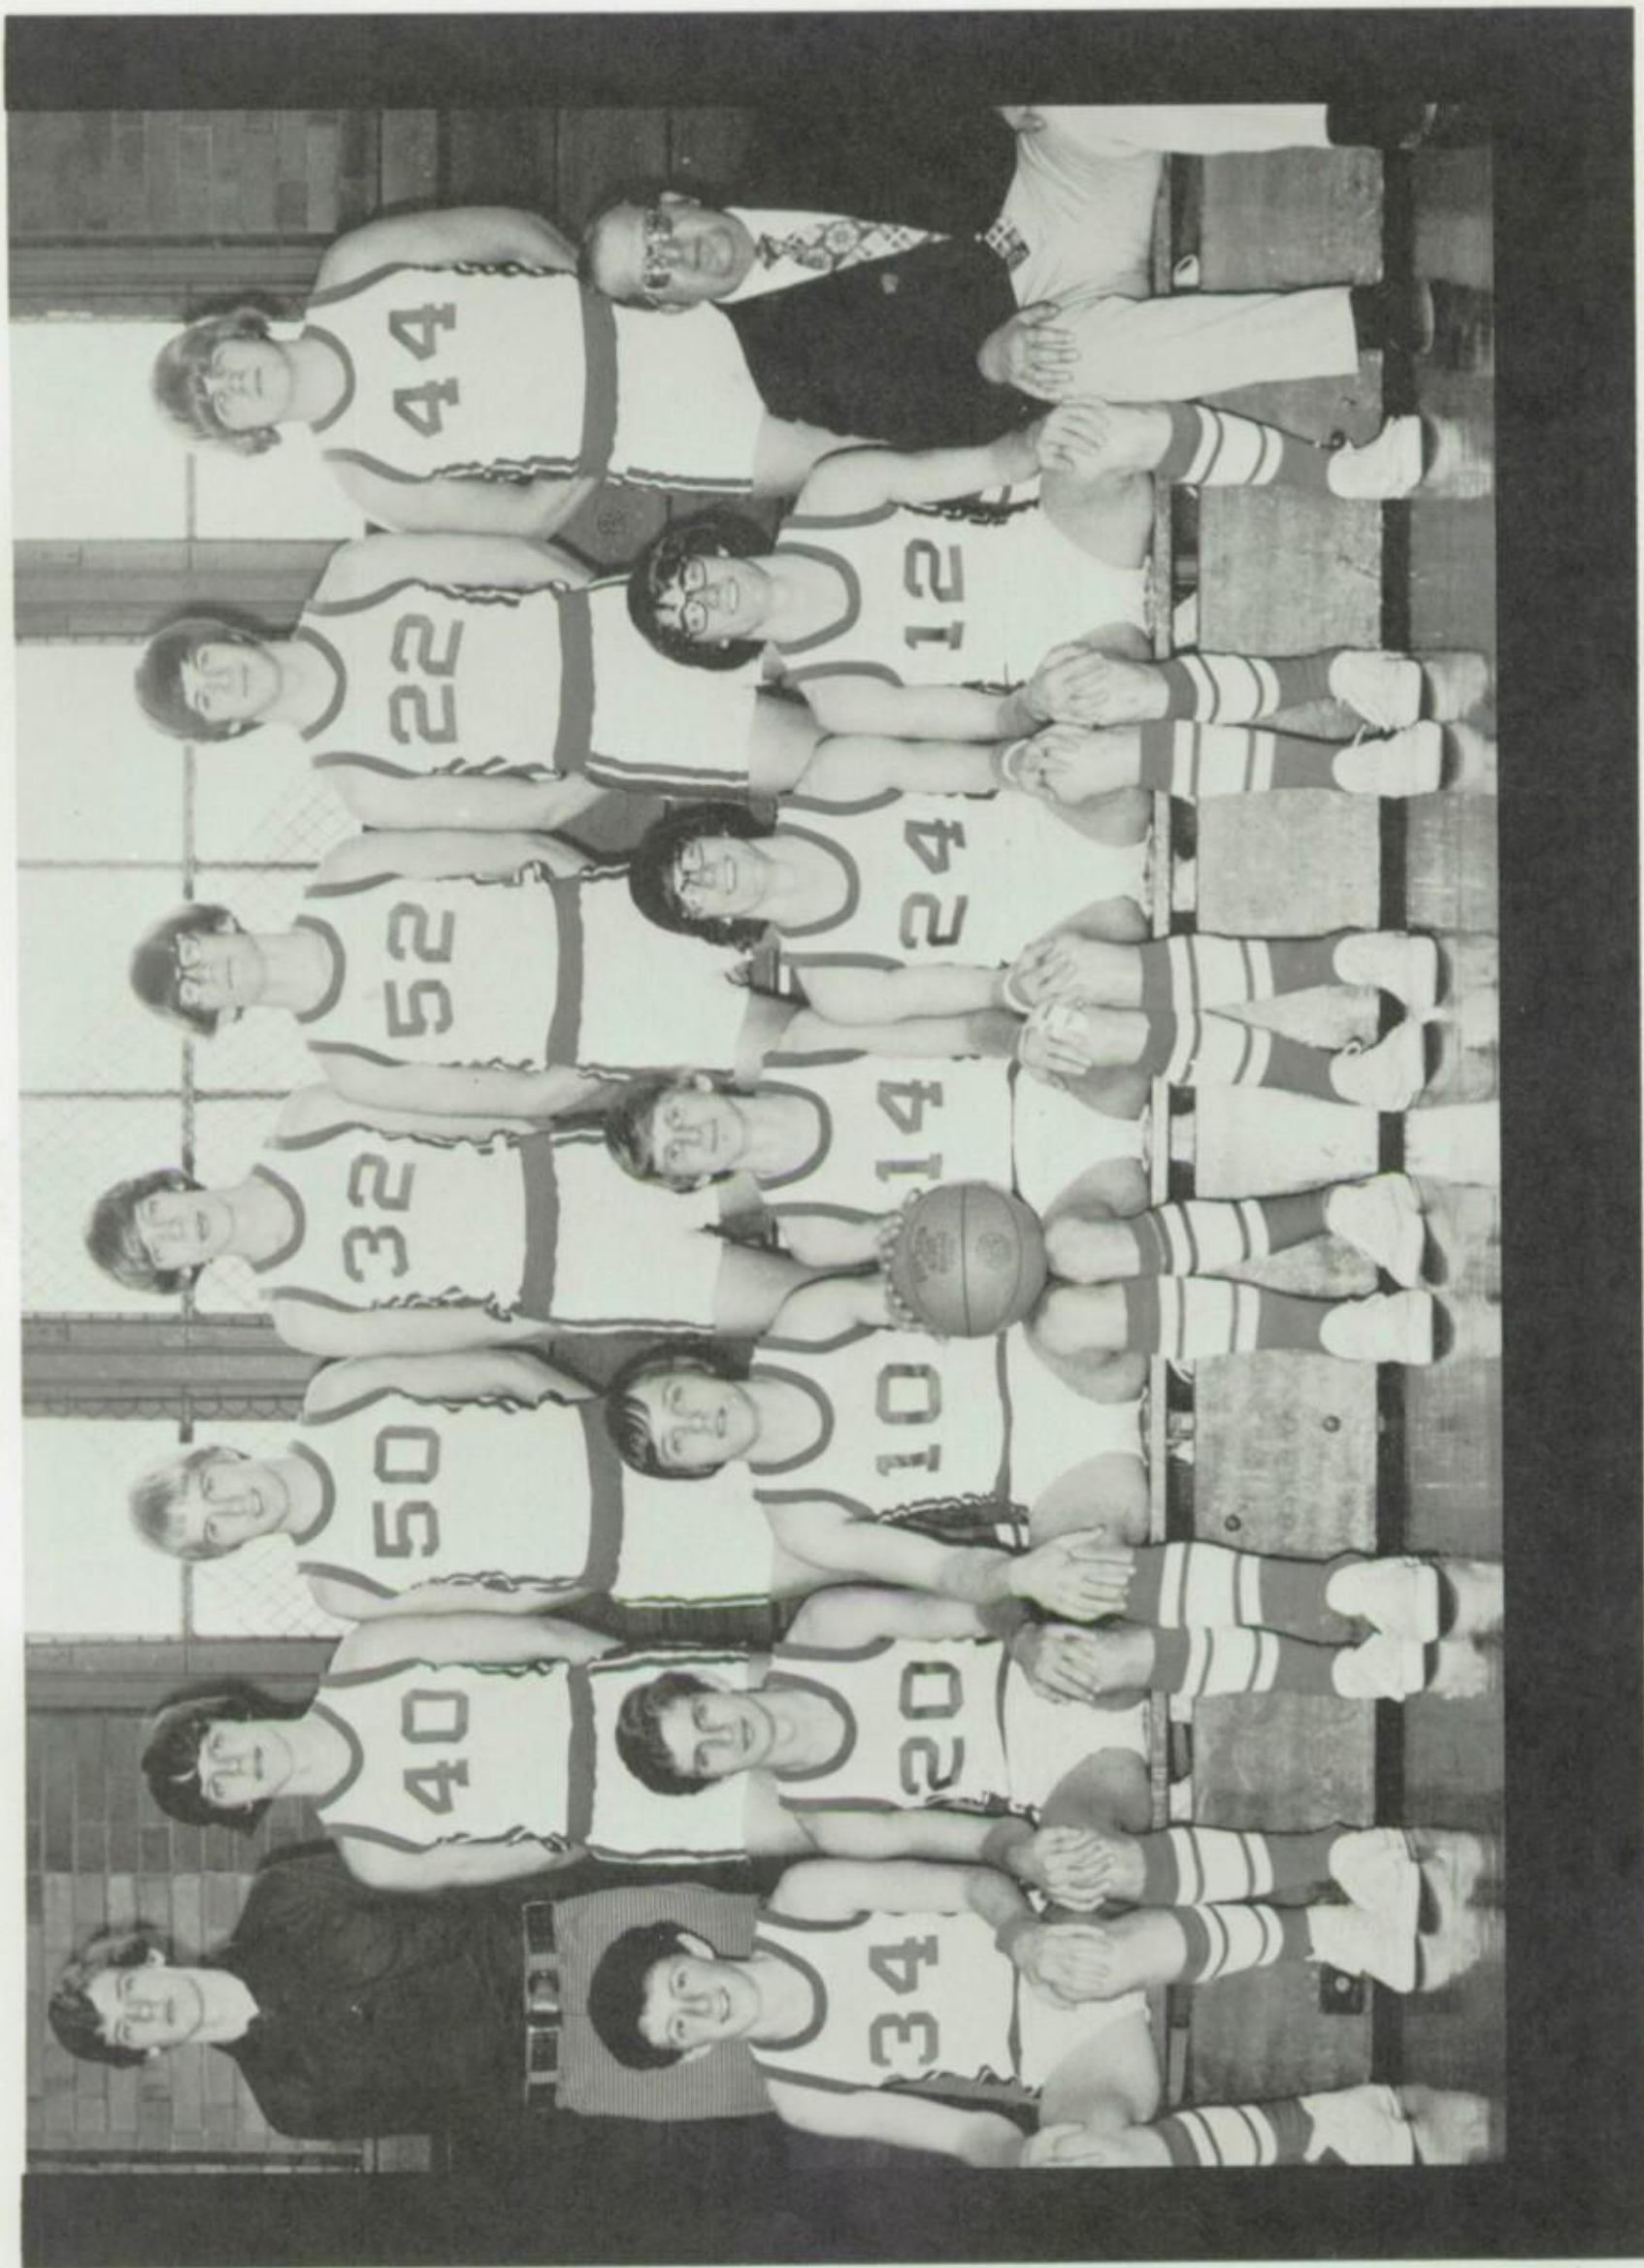

In a short season, the first girl's basketball team to represent IHS in inter-scholastic competition recorded a total of 4 wins and 4 losses. With District Tournament week arriving so did the climax of the season. In an exciting game the Hematites lost to Gwinn by only 2 points. The team, composed of mainly underclassmen, have shown their potential.

In future years, with experience, they should be a threat to the competition.

Ishpeming High School basketball team this year had another successful season. We didn't win the conference but were contenders up to the final two games. Scoring was balanced as three seniors averaged double figures throughout the year. They were Kevin Wenzel, Bob Nardi, and Bruce Lawson. The highlight of the season was a convincing win over M.S.H.S. Redmen. They also beat a much taller Gladstone. Both of these wins were taken while on the road. Ishpeming lacked the size this year but still provided many interesting minutes of play for area fans. They should be commended on a job well done!

This season proved a success as I.H.S. skiers began the year with an overwhelming victory at their first triangular meet in Ishpeming. We continued to hold our own against even the teams with better facilities and more support. After four meets - two triangular wins, a fourth team place out of eight and a sixth team place out of fourteen - we felt confident for the U.P.'s at Indianhead Mountain in Iron River. Our confidence showed as our girls placed fifth and seventh for the boys out of the sixteen teams competing. Next year should prove that skiing can be an integral part of school sports.

The 1973 Track Team started the year with 65 boys. By the end of the season our number was down to 45. We had practice from 4:00-6:00 every night after school. Each practice consisted of running laps and doing exercises besides working on our individual events. The team had hopes of the U.P. Championship, but we saw them dwindle as the team was hampered with injuries right from the start. However, we did manage to win most of our dual meets, and finish the year with a very good season's record. Here are some of the scores from the larger meets:

### Marquette County Meet

The I.H.S. tennis team had a modest dual meet record of three wins and six losses this year. However, our team excelled in tournaments with a second place finish in the G.L.C. tourney and a third place finish in the U.P.'s. In these tournaments several individuals did well. In doubles, the team of Crites-S. Lindberg were quarter finalists in the conference. The combo of Beinlich-R. Lindberg were semi-finalists in the conference and quarter finalists in the U.P.'s. In singles, Kevin Wenzel was a finalist in the conference and a semi-finalist in the U.P.'s. The highlight of our season was a third place finish in the U.P. tournament out of 18 teams. We were also the first of the Class B teams in the U.P.

A strong 1973 season sets the tone for an even stronger '74 season for Coach Ken Nelson's golf team.

The Hematites won their only triangular meet and finished with a 1-3 dual meet record. However, they never lost a meet by more than a slim seven strokes. Individually, Bruce Kilberg took medalist honors twice with Mark Ennett, Jeff Forsberg and Terry Clark capturing top positions once in each of the five meets.

At the G.L.C. championships held in Newberry, Ennett and Clark led I.H.S. by firing 74's followed by Forsberg and Kilberg with 83 and 84, respectively.

In the final and biggest outing of the season in Iron Mountain, I.H.S. finished a strong third out of 20 teams competing. Despite a driving rain, an 82 shot by Mark Ennett was third best out of 80 golfers and an 83 by Jeff Forsberg was fourth best. An 89 by Terry Clark and a 100 by Bruce Kilberg rounded out Ishpeming's scoring and its productive season.

The 1973 Girl's Track Team participated in 3 meets this year. This was due to the fact that they were sponsored by Community Schools rather than the High School. This made them ineligible for several other meets, including the UP Finals.

The girls won 2 out of the 3 meets by wide margins, and lost the third by one point to Iron Mountain.

# "fantasy of the sea"

## junior prom april 14, 1973

i'd like to be under the sea  
in an octopus's garden in the shade.  
he'd let us in, knows where we've been,  
in his octopus's garden in the shade.  
i'd ask my friends to come and see  
an octopus's garden with me.  
i'd like to be under the sea  
in an octopus's garden in the shade.

## 50-mile swim

susie r., terri s., toni m., audrey t., susie w., cindy l., ms. lindberg

Since early fall when fifty-mile started with a big splash, a total of fifty-six students have participated in the program. However, as time goes by that number has decreased considerably. A total of 371 miles have been amassed by the swimmers to date, the following leading the pack:

|                 |        |
|-----------------|--------|
| Audrey Tatrault | 43 1/2 |
| Susan Randall   | 25 3/4 |
| Susan Wilson    | 19 1/4 |
| Gary Lukkari    | 17 3/4 |
| Mary Menza      | 15 1/4 |
| Terri Smith     | 14 1/4 |
| Jill Pennala    | 13 1/4 |
| Ginger Russell  | 13     |
| Cindy Lawson    | 13     |
| Gwen Brown      | 12     |
| Lori Olson      | 11     |
| Sarah Kulie     | 10     |

Many more are close to the 10 mile mark, and certificates will be issued for those completing 10, 20, 30, 40, or 50 miles. Those few who will complete the fifty miles will have swum 3,600 pool lengths.

# The Skeleton Walks

Story of the play:

An old house has a large sum of money secreted somewhere on the premises. Visitors come searching but find a mysterious physician, his sinister housekeeper, and her deaf mute son. Noises are heard, a skeleton walks, and a strange discovery is made.

This mystery-comedy in 3 acts is bound to make any audience fall out of their seats with laughter. (Especially with this class of seniors)

## Cast:

carl pellonpaa (skeleton), rolfe lindberg (mrs. hubbard), eric peterson (bill clayton), sue farragh (elaine blair), kris grigg (mrs. donahue), debbie champion (ollie), rosemary skewis (bobby), julie joseph (kinks), amy goodman (anne rowell), betty foster (student director), frank jacobson (dr. fersig), debbie isaacson (mrs. embery)

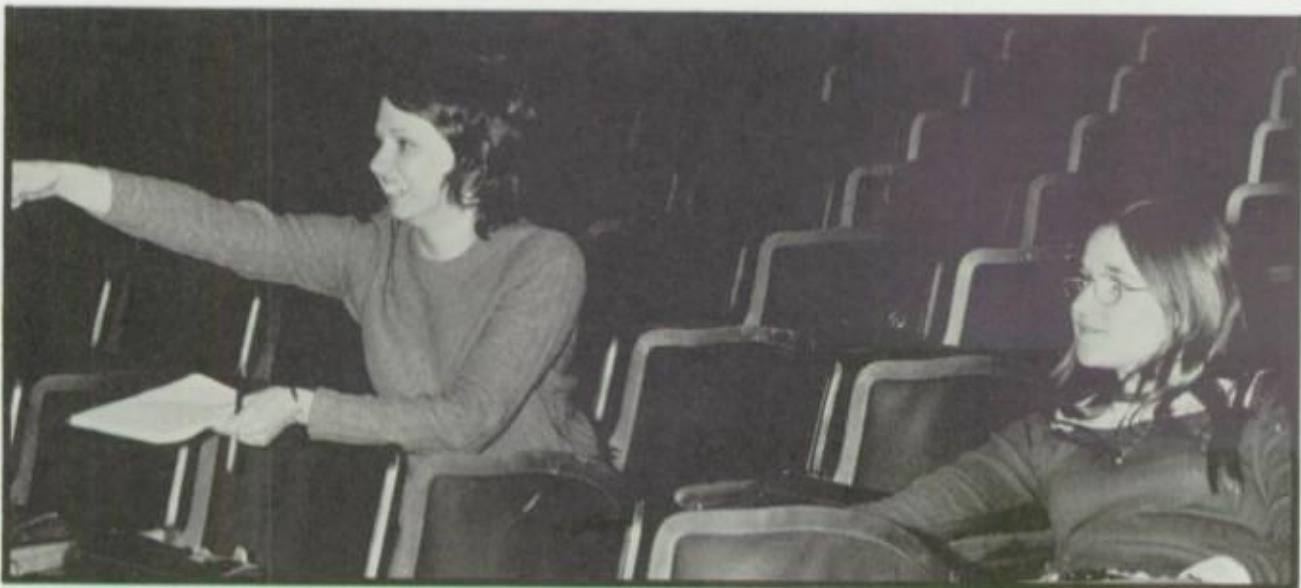

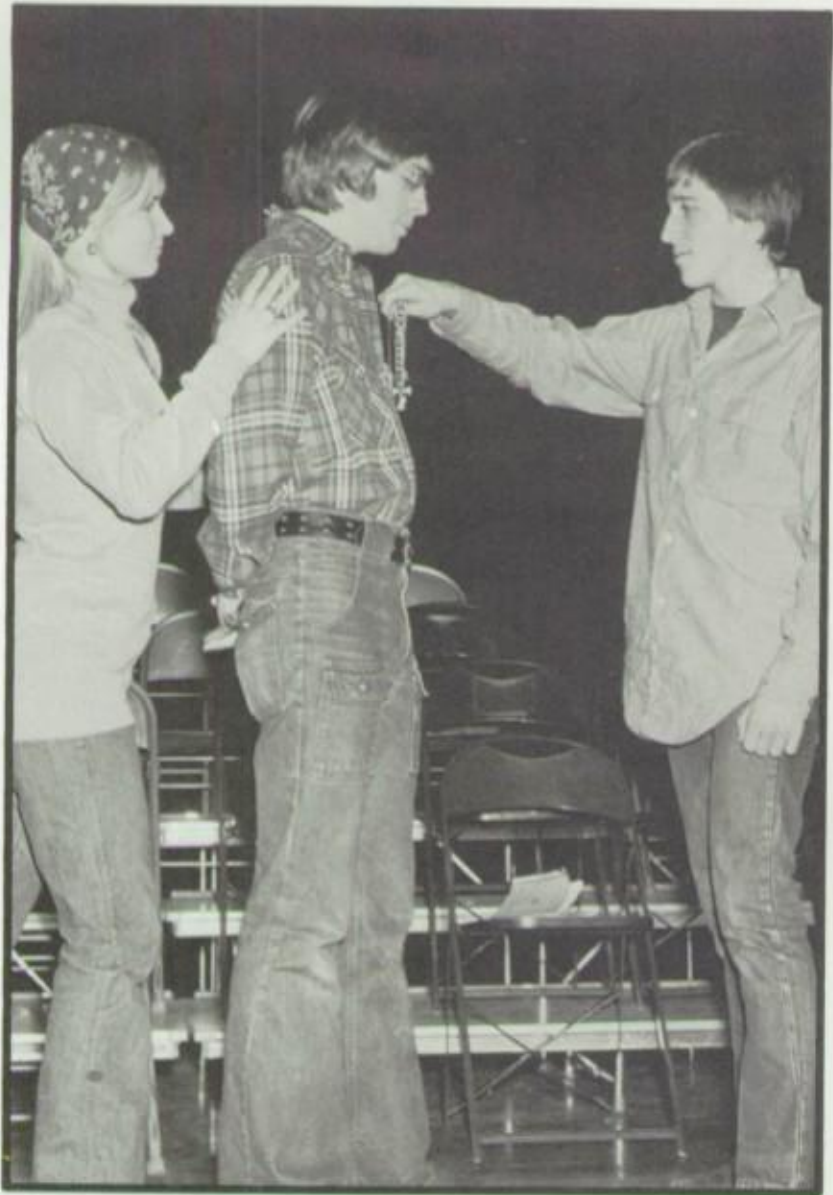

directed by: Mrs. Pearson

## inside looking out

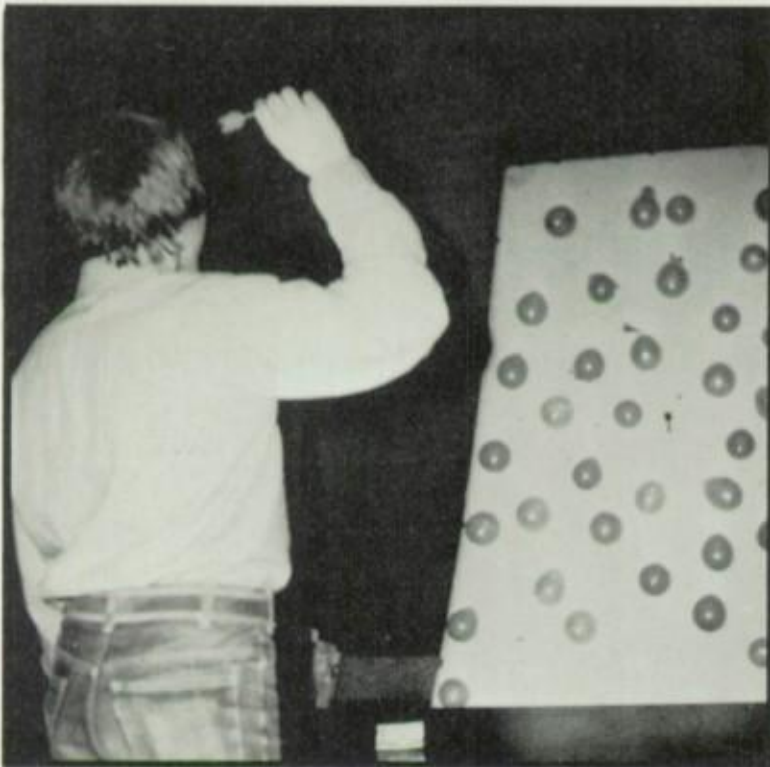

The INSIDE LOOKING OUT staff puts in a great deal of time constructing the newspaper. They spend class time on it, but most of the information is gathered on the student's spare time. Many hours after school are put in by the typists production staff, editors and by our advisor Miss Brown.

An article, after leaving the hands of the writer, goes to the specific editor and then to Mark Ennett, editor-in-chief, to be checked. Finally it reaches Miss Brown, who gives it the last check. Although a lot of hard work and time is spent on the paper, we have a great time. This paper, although new, is a great service to I.H.S. I hope it will remain through the years and represent part of the backbone of Ishpeming High School.

little darling, it's been a long, cold,  
lonely winter.

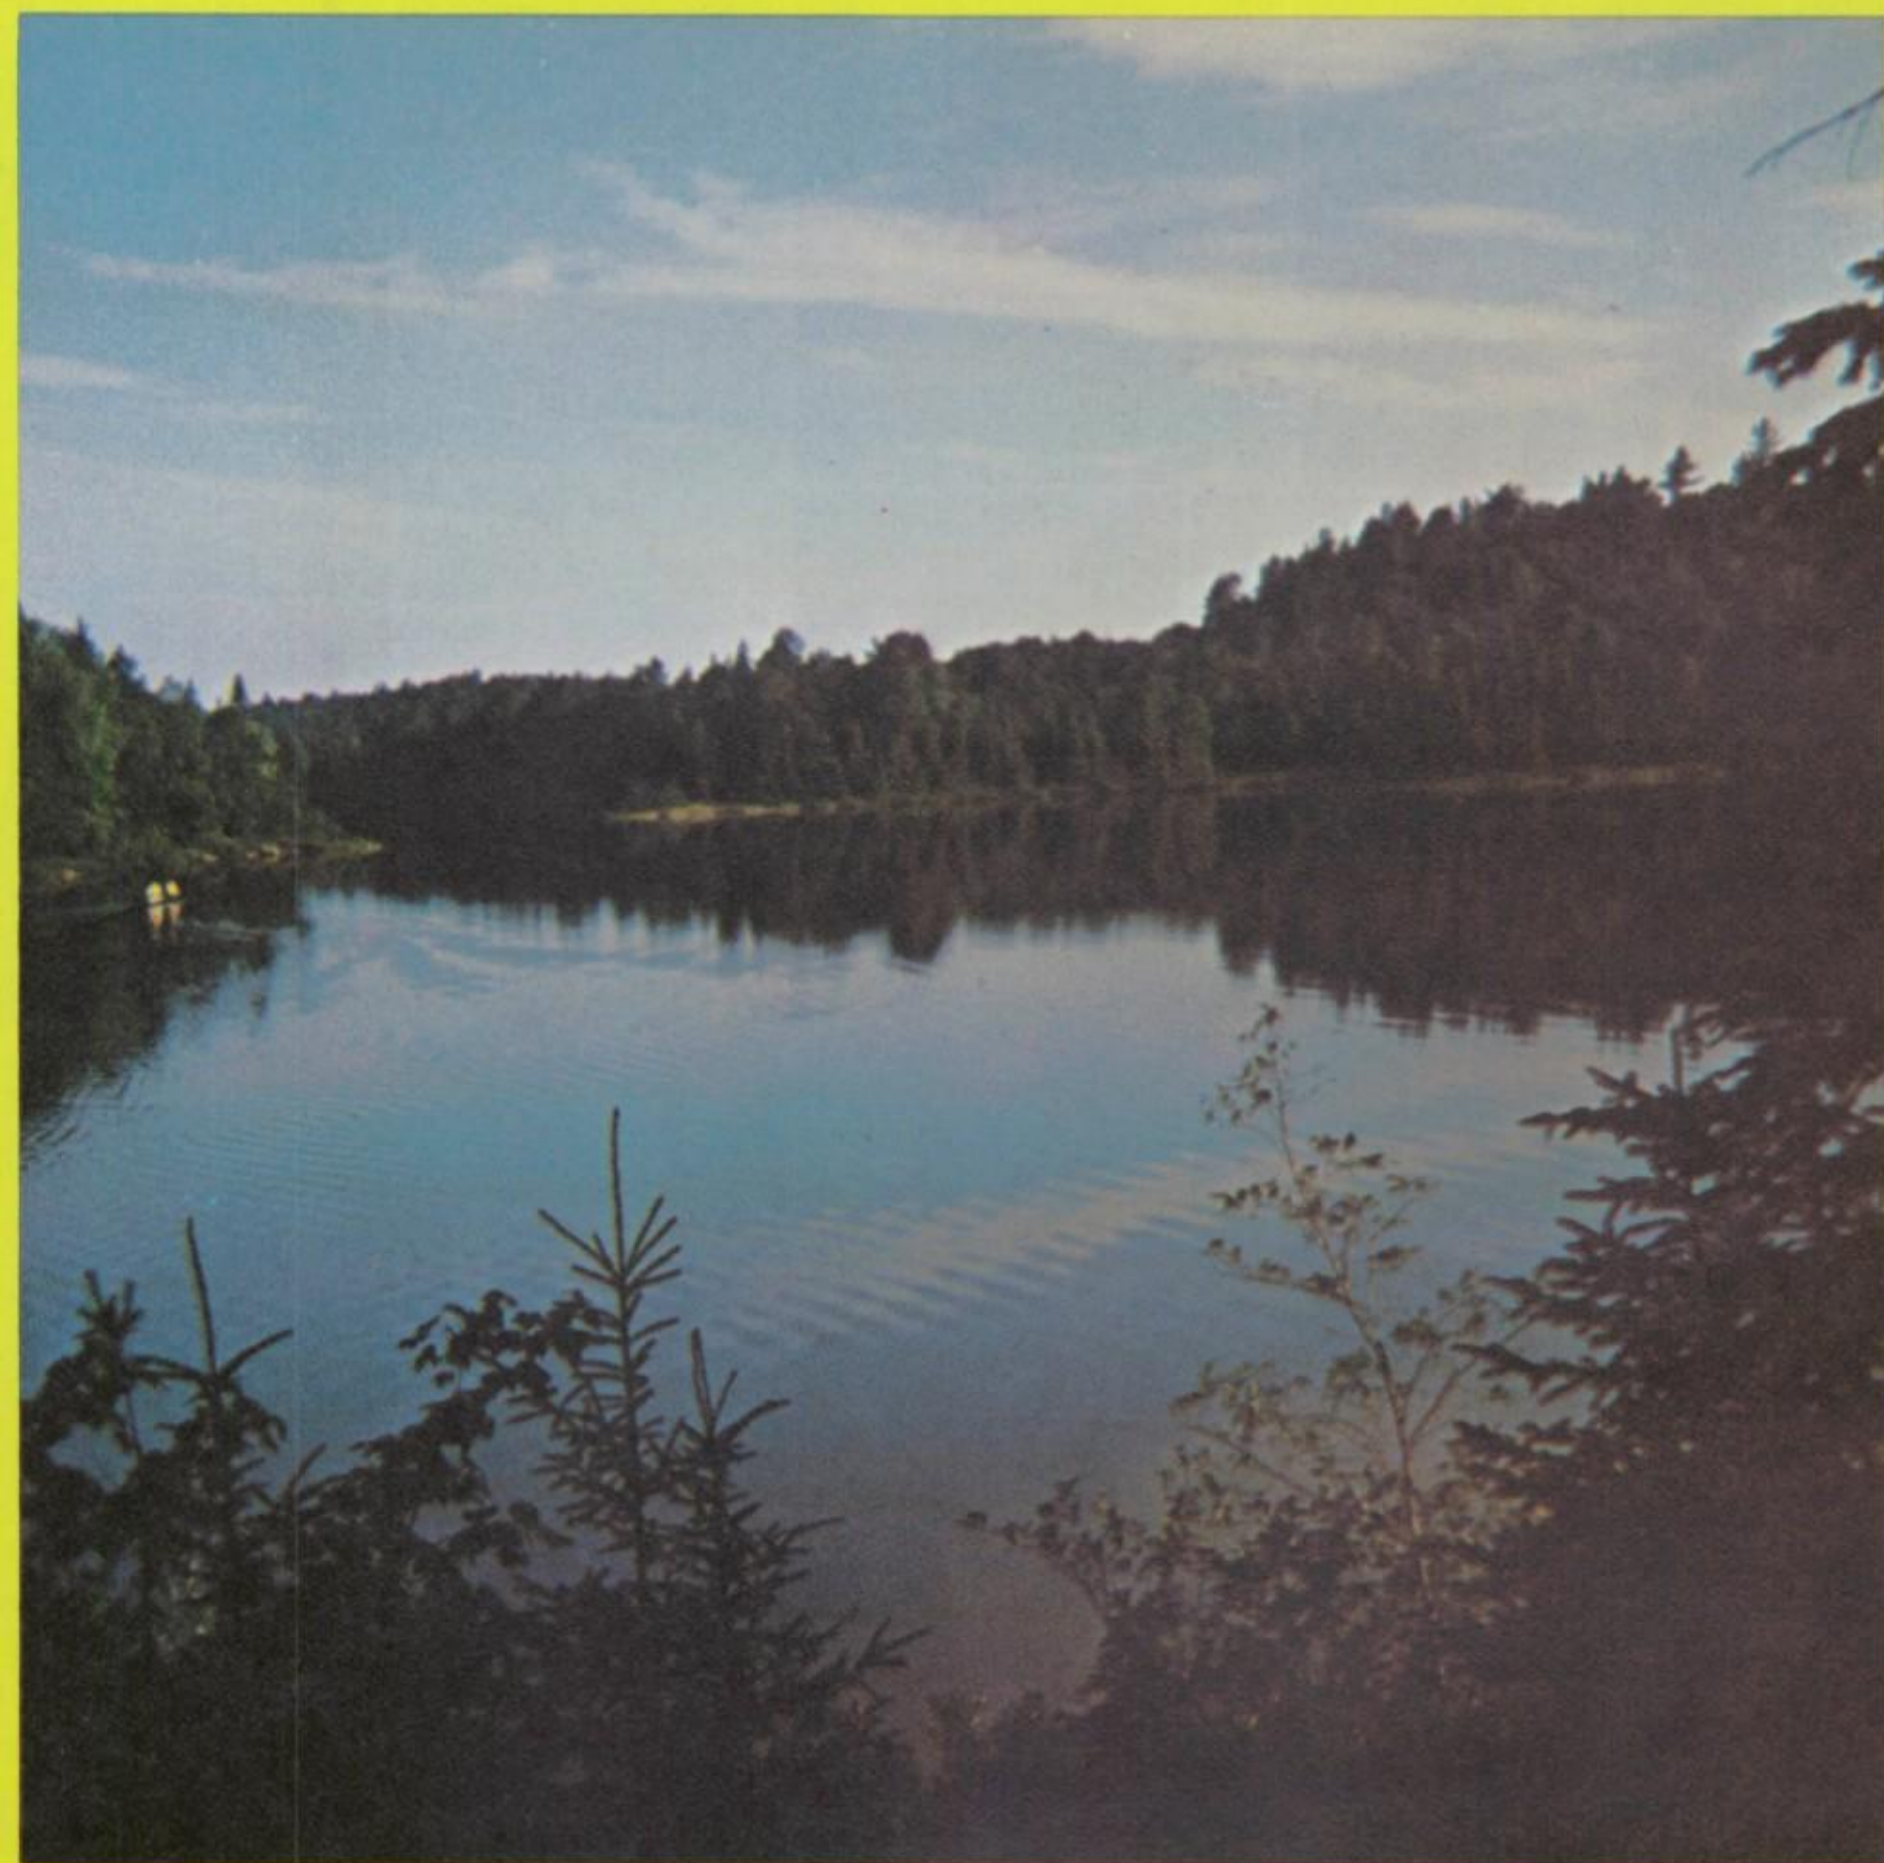

little darling, it feels like years  
since it's been here.

here comes the sun.

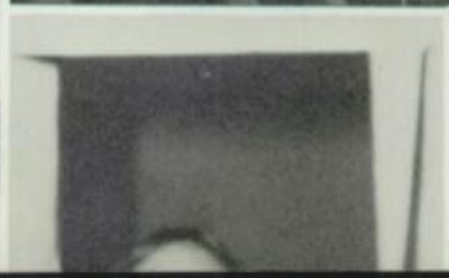

here comes the sun and i say  
it's alright.

sun, sun, sun, here it comes.

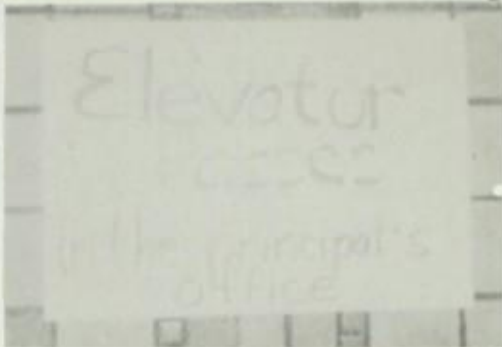

sound of laughter shades of earth are  
ringing through my open view  
inciting and inviting me  
limitless undying love which shines around me  
like a million suns  
it calls me on and on across the universe.  
nothing's gonna change my world.

words are flowing out like endless rain  
into a paper cup,  
they slither while they pass, they slip  
away across the universe.  
pools of sorrow, waves of joy  
are drifting through my open mind,  
possessing and caressing me.  
nothing's gonna change my world.

brought to you by . . .

## thank you

We would like to express our gratitude to Mrs. Viant for her spirit to help us keep going when we were down. We'll never forget all the "goodies" she provided us with.

We would also like to acknowledge the office staff (Arlene, Mrs. Medyn) for their cooperation with this annual.

Our custodians on the third floor, Mr. Bess and Mr. Sarvello, we would like to say "thanks" for all the extras.

Another thanks to Don Poirier and Dave Swanson for their camera help and pictures.

We'd like to thank John, Paul, George, and Ringo for inspiring us with their originality.

## open letter to students

As we, the editorial staff of the 1974 Hematite, look back over our four years in Ishpeming High School, we are overcome by the changes in both ourselves and in the school. Skirts were "mid-knee" and "feminine bangs were not permitted" when this year's graduating seniors came green to I.H.S. Since then the student body has gotten smaller, but we feel the school has grown. Liberalizing in such areas as dress and curriculum has added to the spirit of creativity and allowed us to mature into an awareness of our world.

In these days of diminishing commodities, originality abounds, making amends for those things lost. Yes, I.H.S. has grown, but a long road lies ahead. If there was one thing which we could leave as a legacy to I.H.S., we feel it lies in this book.

Times are changing and today's youths are becoming more powerful than ever. Awareness and creativity are readily available to anyone, but they are more easily stifled than attained. These two things are what is needed more of in I.H.S. Perhaps these desires are Utopian in nature, but they can be a reality in our school. Too many times we have observed people following the crowd, wasting their abilities, or not giving someone a chance. Anything requires effort and I.H.S. could be bettered for yours. Every student here has a mind to think and a voice to speak out. Often we hear more complaining rather than constructive criticism. Change. Don't be afraid - it can happen and it is our hope that it will. As we leave, we hope we have inspired a non-imitative motive in the student body through this yearbook.
